Dear Harold,

Thanks for your letter of the 26th.

Here are a couple of things which might interest you - notes ~~x~~ on a very interesting new piece of evidence re Army Intelligence and the Hidell draft card, and a response to Dan Schorr's recent piece in the New York Review.

I'm going to try to keep on top of the forthcoming FBI releases, ~~xxx~~ and I'll send you any lists I compile.

It was nice talking with you when I was in Washington.

With regards,

Paul
